

Hitler's Niece

by Ron Hansen

About the Book

Hitler's Niece tells the story of the intense and disturbing relationship between Adolf Hitler and the daughter of his only half-sister, Angela, a drama that evolves against the backdrop of Hitler's rise to prominence and power from particularly inauspicious beginnings. The story follows Geli from her birth in Linz, Austria, through the years in Berchtesgaden and Munich, to her tragic death in 1932 in Hitler's apartment in Munich. Through the eyes of a favorite niece who has been all but lost to history, we see the frightening rise in prestige and political power of a vain, vulgar, sinister man who thrived on cruelty and hate and would stop at nothing to keep the horror of his inner life hidden from the world.

He graduated from Creighton University in Omaha and went on to the University of Iowa Writer's Workshop where he studied with John Irving. He is now Gerard Manley Hopkins, S.J., Professor in Arts and Humanities at Santa Clara University in northern California.

Critical Praise

"[Hitler's Niece] invites us to consider Hitler in a new light . . . Hansen succeeds in conjuring Hitler as he probably was. "
