

Portrait of an Unknown Woman

by Vanora Bennett

About the Book

The year is 1527. The great portraitist Hans Holbein, who has fled the reformation in Europe, is making his first trip to England under commission to Sir Thomas More. In the course of six years, Holbein will become a close friend to the More family and paint two nearly identical family portraits. But closer examination of the paintings reveals that the second holds several mysteries...

Set against the turmoil, intrigue and, tragedy of Henry VIII's court, **Portrait of an Unknown Woman** vividly evokes sixteenth-century England on the verge of enormous change. As the Protestant Reformation sweeps across Europe to lap at England's shores, relations between her king and the Catholic Church begin to plummet-driven by Henry VIII's insatiable need for a male heir and the urgings of his cunning mistress Anne Boleyn-and heresy begins to take hold. As tensions rise, Henry VIII turns to his most trusted servant and defender of Catholic orthodoxy, Sir Thomas More to keep peace in England, but soon the entire More family find their own lives at risk.

At the center of **Portrait of an Unknown Woman** is Meg Gigg's, Sir Thomas More's twenty-three year old adopted daughter. Intelligent, headstrong, and tender-hearted, Meg has been schooled in the healing arts. And though she is devoted to her family, events conspire that will cause Meg to question everything she thought she knew-including the desires of her own heart. As the danger to More and his family increases, two men will vie for Meg's affections: John Clement, her former tutor and More's protégé who shares Meg's passion for medicine, but whose true identity will become unclear, and the great Holbein, who's artistic vision will forever alter her understanding of the world.

With a striking sense of period detail **Portrait of an Unknown Woman** is an unforgettable story of sin and religion, desire and deception. It is the story of a young woman on the brink of sensual awakening and of a country on the edge of mayhem.

Discussion Guide

1. Could Meg Giggs be considered a "modern woman"? Why or why not?
2. Is it possible to fully understand the conflicts of an earlier age? What does it mean to learn from history?
3. Fathers and daughters? discuss this relationship and its manifestations in the novel. Has Meg and More's relationship changed by the end?
4. What role does religion play in the novel?
5. Is there a "female" and a "male" side of medicine? Is there a difference between nursing and care given by physicians?
6. Holbein was one of the first painters to "see God in the human face" and paint works without religious subjects. Did art gain or lose by being decoupled from religious worship in the 16th century?
7. Does the smaller size of most families today, as opposed to the larger family structures of the 16th century, mean there's less strife and sibling rivalry? Why or why not?
8. Can you lead an honest life if you're harboring a secret?
9. Do you agree or disagree with Meg's choices in the novel?
10. Does More deserve his fate?
